Re: Meeting Concerning the Resolution of the Notice of Non-Compliance & Division Order, Standard Gypsum Products, Inc., Bloomington Hills, S/053/007, Washington County, Utah

Dear Mr. Gubler:

On October 17, 2002, Doug Jensen of the Division staff met with you to discuss the resolution of a recent Notice of Non-Compliance and Division Order.

The recommendations of Mr. Jensen for the work needed to bring about the satisfaction of the Division Order are contained in the attached inspection memo. Please note, that the use of a trackhoe is being recommended to complete the regrading of the site.

Please contact the Division with a tentative schedule of when the work, as discussed in this meeting, can be completed. Before this work is scheduled please contact Mr. John Blake (801) 538-5152 at SITLA, (the landowner) to obtain a "Right-of-Entry".

Thank you for your cooperation in this regard. If you have any questions, please contact me at (801) 538-5286, or Doug Jensen at (801) 538-5382.

Sincerely,

D. Wayne Hedberg
Minerals Permit Supervisor
